31st January	Cancelled due to heavy rain.	
28th February	A good turn-out with 18 players taking part. After 3 rounds only Robert had managed to win all his games. His closest contender was Lee with two wins and a draw. Unfortunately for Lee he was drawn to play with Robert in the final round so there was no way he could overtake. They won the game 13-1 giving Robert 4 wins and a very large points difference. Lee remained in 2nd place on 3 wins and a draw. Unusually nobody else managed to get 3 wins and the next best players were all on 2 wins and a draw!	1st Robert Wyles 4 wins +29 2nd Lee Redfern 3.5 wins +18 3rd Mari Gravell 2.5 wins +4 =4th Alison Stubbs 2.5 wins +1 =4th Sue Sandy 2.5 wins +1
28th March	A lovely spring evening with daylight on arrival for the first time this year with the clocks having changed! There was a good turn-out of 19 people. After 3 rounds only Terry and Ali had won all their games. They were drawn to play together in the final round which unfortunately for Terry meant he could not overtake Ali. They duly won again 13-1 to be the only 4 game winners and Ali won by the smallest of margins.	1st Alison Stubbs 4 wins +29 2nd Terry Rixon 4 wins +28 3rd Dave Stubbs 3 wins +19
25th April	A cold night and Saints V Chelsea on the TV saw a smaller turn-out than usual of 14. After 3 rounds only Pete and Mike T had won all 3 games. Again the luck of the draw saw them in the same team for the final round meaning that Pete could not overtake Mike. They duly won 10-2 and Mike pipped Pete on points difference	1st Mike Tull 4 wins +32 2nd Pete Tomlin 4 wins +27 3rd Ali Stubbs 3 wins +7
30th May	A turn-out of 16 and a very unusual spread of results. After 3 rounds only Dave had won all 3 games. A narrow 6-5 win in the 4th game meant he could not be caught. Only 2 other players managed 3 wins!	1st Dave Stubbs 4 wins +20 2nd Mike Porter 3 wins +9 3rd Ali Stubbs 3 wins +6
27th June	Cancelled due to heavy rain.	
25th July	With the Extras team having an away 9-a-side match at Bordon it seemed likely that the melee would be cancelled for the second month running. As it turned out surprisingly there were 12 players present and so it went ahead after all! After 3 rounds only Callum and Stuart had won all their games. With them drawn together in the final round, and the inevitable 4th win, it was all down to who had the biggest points difference. Stuart won the battle of the Beacon View players by just 3 points.	1st Stuart Floyd 4 wins +23 2nd Callum Lombard 4 wins +20 3rd Alan Forse 3 wins +13
29th August	With a few stragglers still to return from the twinning and others away on holiday, there was a fairly small turn-out of 13 for the August melee. Going into the last round Dave and Paula were both on two wins and a draw and both had a points difference of +6. With a 12-4 win Dave took first place ahead of Paula who also won but only 6-4. Steve was unfortunate to have lost his first match 6-7 as he had by far the better points difference over the other 3 rounds!	1st Dave Stubbs 3.5 wins +14 2nd Paula Fauvel 3.5 wins +8 3rd Steve Lombard 3 wins +23 4th Robert Wyles 3 wins +1
26th September	With the B team playing 6-a-side at Beacon View, there were only 11 present for the September melee. The low turn-out did not stop there being a first in Cobbetts Melee history - a tie for first place! After 4 rounds both Alan and Paula had won all 4 games with a points difference of +16. Amazingly they also had identical totals of 30 points for and 14 against, even though they only played together in one game. To complete the strange results, Carol finished in 3rd place with 3 wins but a better points difference than the winners!	1st = Paula Fauvel 4 wins +16 1st = Alan Forse 4 wins +16 3rd Carol Collyer 3 wins +18
31st October	No firework melee this year to due Health & Safety and insurance issues so, unusually, there was an October melee on the last Tuesday of the month. There were 15 players present and Diane was the only player to remain unbeaten over the 4 rounds with 3 wins and a draw.	1st Diane Redfern 3.5 wins +11 2nd Lyn Porter 3 wins +18 3rd Mike Porter 3 wins +12
28th November	Only 6 players turned up on a cold evening - not enough for a melee!
